Kindness Week – February 11-17, 2019

Project Kindness is a district-wide initiative that will help our students, at all grade levels, to understand the importance of showing kindness to others and at the same time encourage everyone in Forest Park to show a little kindness to one another.

## Kindness Week in Forest Park!

On Monday, February 11, 2019, Mayor Anthony Calderone will proclaim the week of February 11-17 as “Kindness Week” in Forest Park at a special assembly held at the Betsy Ross elementary school, 1315 Marengo Avenue, Forest Park, IL 60130. The assembly begins at 10:00 am.

## Kindness Counts!

As part of Project Kindness, students at every District 91 school are designing special labels with personal expressions of kindness. These unique labels will be distributed to retail businesses in Forest Park in time for Kindness Week. Retailers will be asked to share the students labels with their customers – on a coffee cup, takeout container, shopping bag – and customers will be encouraged to snap a picture of their label and share it on social media.

## You Can Support Project Kindness!

- Shop the stores up and down Madison Avenue;
- Be sure you receive a Kindness label with your purchase;
- Snap a picture of your kindness label and share it on social media;
- Don't forget to use the hashtag **#District91Cares!**

Project Kindness is made possible through the amazing efforts of District 91 students, staff and administrators and supported by the Forest Park Chamber of Commerce, the Forest Park Public Library, H&R Block, the Park District of Forest Park, and the Village of Forest Park.
