

# Shape Your Future!

Complete the 2020 Census Today!

## Forest Park School District 91

is encouraging all residents to complete the 2020 Census during the month of September. This is your opportunity to help shape the future of Forest Park and filling out the Census has never been more important. A complete count of every person living in Forest Park has tremendous benefits for all District 91 families and community members.

**The U.S. Census** serves as the basis for distributing federal assistance to schools and educational institutions, including the National School Lunch Program and special education grants to states. Results from the 2020 Census will be used to:

- Determine the allocation of Title I funds, which provide financial assistance to local education agencies and schools with high numbers or high percentages of children from low-income families.
- Distribute more than \$675 billion in federal funds annually to states, countries and communities to support resources such as schools, hospitals and fire departments.
- Determine how many representatives each state has in Congress and inform the redrawing of congressional district boundaries.
