

# Proceed with Caution

## Forest Park School District 91 Begins Return to In-Person Learning

Based upon the latest survey our school community is evenly split between in-person and remote learning, which is why District 91 is taking a cautious, phased-in approach to bringing students and teachers back into our school buildings.

On Monday, February 8, we will begin the rollout with students returning to their classrooms for the first time since last spring. There are very strict protocols in place for health screening and attendance and we ask every parent and guardian to help us by adhering to these guidelines designed to keep everyone protected.

Please know we are doing everything humanly possible to keep your children and our teachers and staff safe. The vaccine may be here, but we are certainly not out of the woods yet, which is why it is so important to continue to practice safe distancing, wash your hands and wear a mask. Importantly, our custodians are working extra shifts to insure classrooms hallways and restrooms are clean and sanitized.

Our educators and administrators have worked tirelessly to prepare for the return to in-person learning knowing they will be teaching in a hybrid environment, working not only with students in the classroom but also with those who will continue to learn remotely. Hybrid learning is not a perfect solution, but we will do our very best to provide a quality learning experience for every child in the Forest Park schools.

We know our students are anxious to get back in the classroom. Likewise, we are so excited to see our students in the buildings for the first time since last April.

Stay safe and stay patient. We will all get through this phase together.

### Return to School Schedule

**February 8, 2021**

Kindergarten • Third • Sixth

**February 17, 2021\***

First • Fourth • Seventh

\*February 15 (President's Day) - No School
